### **No Symptoms Requirement**

No staff member, child, or parent may exhibit signs of COVID-19, as defined by the Centers for Disease Control (CDC) within fourteen (14) days of attending distance learning camps. There are no exceptions to the rule.

### **Mask Wearing is Required**

Masks help prevent the spread of COVID-19 by protecting others from possible viral particulates that are airborne. This ensures a safe environment for everyone. All camp staff, and children are required to wear masks, except when children are eating *or* when they are at play, as long as physical distancing is maintained. This per California state order.
