ATTIRE & FOOTWEAR

At ClubSport, we strive to create an environment that is upscale and visually pleasing, yet comfortable and safe for all. We ask all members and guests to use your best judgment in your choices of attire for the public areas of the club and hotel, and we ask that you consider safety and performance issues in your choices of athletic gear and footwear for sports participation. Here are our basic attire and footwear standards:

- Shirts and shoes are required at all times in all areas except the locker rooms and outdoor aquatics center.
- Always wear closed-toe athletic shoes in the fitness center and when participating in any sport or group exercise class. If participating in an exercise class such as yoga, which is performed barefoot, wear shoes to and from the studio.
- On the racquetball, squash and basketball courts, wear shoes designed for court play, with non-marking soles.
- Exercise attire should not be overly revealing, and fabrics or accessories should not cause damage to the upholstery on fitness equipment.
- Swimwear is appropriate only in the aquatics center and locker rooms.

CHILDREN & TEENS/TEENFIT

Our facility appeals to families as well as adults without children. Parents should advise your children and teens on appropriate behavior and supervise them (where required) while visiting the club. This is particularly important in the fitness center, restaurant, swimming pools, splash park, and locker rooms. The following policies are designed for the overall safety of children and teens while in the club.

Children (Ages 12 and Under):

Children ages 12 and under must be accompanied and directly supervised by a parent or adult guardian at all times while in the club, except when:

- Registered in Kids World (parent must remain on premises); or
- Enrolled in a club-sponsored and supervised program, such as a camp, clinic, class, special event, or birthday party (parent must remain on premises while child attends birthday party).

Children may not enter the Fitness Center, Group Fitness Studios or the Men's/Women's Locker Rooms. Parents with children under the age of 12 must use the Family Locker Room.

Children must be enrolled on a membership in order to enter the club or use any club facility (pool, gymnasium, racquetball courts, etc.) or a guest fee must be paid.

Teens/TeenFit (Ages 12 to 17):

Teens ages 12 to 17 may use all areas of the ClubSport facility without being accompanied by or directly supervised by a parent or adult guardian as long as:

- The club has on file a Teen Results Program Registration Waiver signed by a parent;
- The teen member has completed the club's TeenFit Certification; and
- The teen member follows all club policies and conducts himself or herself appropriately.

Teens must be enrolled on a membership in order to use any club facility, or a guest fee must be paid. Teens may purchase an Individual membership at ClubSport, with a parent's signature of approval and agreement to pay all dues and fees.

Dependent:

Children members may be on a Couple or Family membership through the age of 25, provided they reside at the same address. Upon their 26th birthday, dependent children may "roll over" into an individual membership, without incurring an initiation fee but must do so within 30 days of their 26th birthday.

Parent Responsibilities:

We ask all parents to take responsibility for following the club's policies for children and teens, and for accompanying or directly supervising children where and when the club requires. Direct supervision means that you are participating side by side with your child in the selected activity or you are watching them from a close distance, and ensuring that your child is performing the activity in a safe, non-disruptive manner.

Parents are also financially responsible for any in-club house charges your children or teens may make (i.e., at the ClubSport Café) on your membership account. Changes to the in-club house charging privileges must be made through the Membership Department.

KIDS WORLD CHILDCARE CENTER

ClubSport is proud to offer a professionally supervised childcare center for use by the children (ages 6 weeks to 12 years) of our members and guests. Kids World offers children a variety of enrichment activities, including arts and crafts, organized games, story times, specialty classes, and more.

To provide a handy guide for parents and to ensure a safe and enjoyable experience in Kids World for all children, we have put together the following guidelines for utilizing our childcare services:

- Infants ages 6 weeks to 12 weeks who are on a membership receive one hour and 15 minutes of complimentary child care services per day. This is the maximum length of time infants may stay in Kids World.
- Children ages three months to twelve years who are on a membership receive three complimentary hours of child care services per day. Children on Resort or Executive level membership receive four complimentary hours of child care services per day.
- After three hours an overtime fee will apply on all memberships (excluding Executive and Resort members). The maximum continuous amount of time a child may be in Kids World is four hours.
- Service is available for children that are not on a parent's membership and also for children of a member's guest at an hourly childcare fee.
- Prior to a child's first visit, we ask parents to complete a Medical Release Form, which will be kept on file in Kids World for use in the event of an emergency.
- Only parents or legal guardians may check children in and out of Kids World.
- Due to allergies, Kids World is a "nut free zone." Nuts and nut products are not allowed.
- For the health and wellbeing of all children, those who are sick cannot participate in Kids World. If a child becomes sick or shows signs of illness while in Kids World, the parent will be notified to pick up the child.
- Please ensure that diapered children are dry and clean before bringing them to Kids World. We know "poop" happens; parents are welcome to use our diaper changing station or to provide us with extra diapers for your child so we can take care of it. Diapers can be purchased at Kids World for a nominal fee.
- Lunches or snacks may be brought into Kids World, but may only be consumed during designated times and in the designated snack area. Beverages must be in plastic, non-spill containers.
- Please place all diaper bags, backpacks or other allowed items in a cubby. Children's belongings should be labeled. No personal items or toys (other than infant/toddler comfort items, such as, a blanket, pacifier, etc.) will be allowed into Kids World due to possible loss, theft, breakage, conflict and health issues.
- Parents must remain on ClubSport premises while your children are in Kids World.
- Children must follow the direction and instruction of the staff. Behavioral problems, such as biting or fighting, or other incidents that require discipline and compromise the safety of other children, may result in suspension of childcare privileges for a defined period. Appropriate action will be determined on a case-by-case basis.
- If a child is upset or uncomfortable for a period of 15 minutes or longer, the staff will request parental assistance.

- Further specifics on our childcare center policies are available in the Kids World Parent Handbook. [\(back to the top\)](#)

If you desire additional playing time, you may participate in a club activity (lesson, league, challenge court) or you may request a "walk-on" court.

Please check in at the Club Service Desk to claim your court. A reserved court may be reassigned to walk-on players if the reserving member does not claim it within five minutes of the starting time. Abuse of court reservation privileges may result in suspension or termination of your membership. Please follow these policies and court etiquette guidelines when playing on our racquetball and squash courts:

- Only ClubSport-employed racquetball and squash teaching professionals may provide instruction on club courts.
- Water in a plastic, non-spill container is permitted on the courts (but preferably left outside the court); please no food, gum or other drinks/containers.
- Proper court sport attire must be worn. No street clothes, crop tops, aerobic attire or jeans allowed. Shoes designed for sport court play, with non-marking soles, are required.
- Racquetballs and squash balls travel FAST – for your safety, we require that protective eye guards be worn.
- Racquetball, handball, badminton, ping-pong, and wallyball may be played on racquetball courts. Squash may be played on squash courts. No other sports permitted.
- When claiming a court, please wait until the exiting players have finished a point or rally, then knock on the door to alert them you are entering.
- As a courtesy to players with a reservation following yours, please be ready to exit the court at the exact end of your reserved time.
- Racquet abuse or other unsportsmanlike conduct is prohibited.
- ClubSport reserves the right to schedule programming (leagues, tournaments, camps, etc.) or private rentals on the courts. Open play courts may not be available at all times on all days.
