CHILDREN & TEENS

Our facility appeals to families as well as adults without children. Parents should advise your children and teens on appropriate behavior and supervise them (where required) while visiting the club. This is particularly important in the fitness center, Citrus Fresh Market, swimming pools, and locker rooms. The following policies are designed for the overall safety of children and teens while in the club.

Children (Ages 11 and Under):

Children ages 11 and under must be accompanied and directly supervised by a parent or adult guardian at all times while in the club, except when:

- Registered in Kids World (parent must remain on premises); or
- Enrolled in a club-sponsored and supervised program, such as a camp, clinic, class, special event or birthday party (parent may be off premises).

Children may not enter the Fitness Center, and are allowed in Group Fitness Studios only during specially designated children's classes. Children may not use the steam room or sauna. As of age seven, children may accompany an adult in the indoor or outdoor whirlpool, but may not use it without adult supervision.

Teens (Ages 12 to 17):

Teens ages 12 to 17 may use all areas of the CSO facility without being accompanied by or directly supervised by a parent or adult guardian with the following provisions:

- The club has on file a Teen Results Program Registration Waiver signed by a parent
- The teen member has completed the club's TeenFit Certification
- The teen member follows all club policies and conducts him- or herself appropriately
- Oregon state law requires an adult to be present for children 14 and younger to use the pool
- Children must be at least 13 years of age to be belay certified
- Adult locker rooms are intended for individuals over 15 years of age

A Teen must be enrolled on a membership in order to use any club facility, or a guest fee may be paid. Teens ages 12 to 17 may purchase an individual membership at CSO, with a parent's signature of approval and agreement to pay all dues and fees.

Dependent:

Children members may be on a Couple or Family membership through the age of 20, provided they reside at the same address. Upon their 21st birthday, dependent children may "roll over" into an individual membership, without incurring an initiation fee but must do so within 30 days of their 21st birthday.

Parent Responsibilities:

All parents must take responsibility for following the club's policies for children and teens, and for accompanying or directly supervising children where and when the club requires. Direct supervision means that you are participating side by side with your child in the selected activity or you are watching them from a close distance, and ensuring that your child is performing the activity in a safe, non-disruptive manner.

KIDS WORLD CHILDCARE CENTER

ClubSport is proud to offer an 11,000 square foot, specially-equipped youth facility for use by children (ages 6 weeks to 12 years) of our members and guests. Kids World offers children a variety of enrichment activities, including arts and crafts, organized games, story times, specialty classes, and more. Here are

some guidelines for utilizing our childcare services:

- Infants ages 6 to 12 weeks who are on a membership receive two consecutive hours of complimentary child care per day. This is the maximum length of time infants may stay in Kids World.
- After two hours, an overtime fee will apply. The maximum continuous amount of time a child may be in Kids World is four hours.
- Service is available for children that are not on a parent's membership and also for children of a member's guest at an hourly childcare fee.
- Prior to a child's first visit, we ask you to complete an Activity Waiver, which will be kept on file in Kids World for use in the event of an emergency.
- Only parents or authorized adults may check children in and out of Kids World, and escort them between Kids World and other club activities.
- For the health and well being of all children, those who are sick cannot participate in Kids World. If your child becomes sick or shows signs of illness while in Kids World, you will be notified to pick up your child.
- Please ensure that diapered children are dry and clean before bringing them to Kids World. You are welcome to use our diaper changing station or to provide us with extra diapers for your child so we can take care of it.
- Please place your diaper bag, backpack or other personal items in a cubby. Children's belongings should be labeled. We recommend that children not bring items of value to the club.
- You must remain on CSO premises while your children are in Kids World.
- Children must follow the direction and instruction of the staff. Behavioral problems, such as biting or fighting, or other incidents that require discipline and compromise the safety of other children may result in suspension of childcare privileges for a defined period. Appropriate action will be determined on a case-by-case basis.
- If a child is upset or uncomfortable for a period of twenty minutes or longer, the staff may request parental assistance.
- Further specifics on our childcare center policies are available in Kids World.

MEMBERSHIP ACCOUNT POLICIES

Purchasing a membership at ClubSport grants you the right to use and enjoy our facilities in accordance with the club's policies. Membership does not grant or carry with it any interest in the property or assets of the club, and does not give any right to members to participate in the management of the club, financially or otherwise. Here is a list of important information regarding your membership account.

- Your monthly dues are set by CSO management, and will typically be adjusted on an annual basis. Your obligation to pay dues is not dependent on the availability of all the club's facilities or your frequency of use. Tournaments, repairs, maintenance of some facilities, and/or other occurrences may make it necessary for CSO to restrict the use of one or more of the facilities or to close the club temporarily. ClubSport will not reduce or suspend dues during times when facilities are not available.
- If any of your personal information (i.e., address, phone number, checking or credit card account) changes during the course of your membership, please report this change to the club. Please stop by the Member Service Office or mail us a note with the new information.
- A membership downgrade must be completed at the club by the 10th of any month to be effective the first of the following month. Your account must be current. A service fee for the status change will be charged.
- Live Healthy. A Member may request to put his/her membership on inactive status, for no less than two and up to six months, should a medical condition or temporary job relocation keep him/her from use of the Club facilities. The request must be submitted in writing along with appropriate verification of his/her medical or business related condition. Approval is at the sole discretion of the Club management. A monthly inactive fee will be charged, and any account balance must be paid in full

prior to going on inactive status. A Member may place his/her account inactive only once per calendar year. No access to the Club will be permitted while the account is inactive.

- **Membership Resignation.** A member with a zero account balance may resign from membership at any time by completing the official membership Cancellation Request Form in person at the Club or by providing written notice of termination via certified mail (return receipt requested) to the Club. We do not accept termination requests by phone, email, fax or online. Voluntary terminations become effective 30 days from which the written notice is received by the Club. A pro rata refund for any unused services will be made within ten (10) days of termination.
- CSO reserves the right to suspend or terminate the membership or privileges of any member for failure to comply with club rules and regulations, for any conduct we determine to be improper or contrary to our best interests, or for nonpayment of dues or other charges for a period greater than 30 days. Suspended or terminated members remain liable for all dues or other indebtedness incurred prior to and during the suspension or termination, and are not entitled to a refund of any fees, dues or charges paid.
- CSO accepts the following forms of payment: cash, check, MasterCard®, Visa®, American Express®, and Discover®.
